**Subject:** Public Hearing on the FY2013-14 Budget and FY2014-19 Capital Improvement Plan (CIP).

### **Executive Summary**

The purpose of the public hearing is to receive public comments on the proposed FY2013-14 Budget and FY2014-2019 Capital Improvement Plan (CIP).

### **Recommendation**

The administration recommends the Council hold a public hearing June 3, 2013 to receive comments on the proposed FY2013-14 Budget and FY2014-19 Capital Improvement Plan (CIP).

### **Background**

The City held a public hearing on March 4<sup>th</sup> to obtain input from residents on the development of the FY2013-14 budget. North Carolina G.S. 159-12(b) requires that the City hold one public hearing on the proposed budget to allow citizens to provide comments to the City Council. This is the City's required public hearing on the proposed FY2013-14 proposed Budget and FY2014-19 proposed CIP.

The March 4<sup>th</sup> hearing was in addition to the required public hearing. Conducting this public hearing supports the "engaged community" objective of the City's Strategic Plan Goal 4: Well Managed City, which is to provide professional management that is accountable, efficient and transparent. We want to enhance residents' opportunity to provide input on the proposed budget and CIP.
